

# Mason Global Materials

*A Division of Mason Global Management LLC*

## **Privacy Policy Statement of Use, Privacy and Agreement**

### **Use of Website**

Mason Global Materials makes reasonable efforts to include up-to-date, accurate information on this website. We do not warrant or guarantee the accuracy of the information provided for product or application. We assume no liability for errors, or omissions in the content of this website.

Your use of, and browsing within, our website is solely at your own risk. We provide this information to you "as is." We do not warrant the use of this website under any circumstances.

Your use of the information on this website is for your personal use. You must receive written permission to reuse, modify, repost, or transmit the content, or materials, presented on this website.

Your communication to us through this website by electronic mail, including questions, specifications, non-disclosure agreements, and similar information regarding your specific material or product, is treated as confidential and proprietary.

### **Privacy**

Mason Global Materials is committed to the privacy of our customers, business prospects and website visitors. It is our intent to use any personal information you provide to fulfill your contact requests, improve this website or gather statistical reports for internal use regarding the efficiency and effectiveness of this website.

Personal information may be identified as, but not limited to, your name, email address, physical address, telephone/fax number, employer, title, type of business and level of responsibility.

We do not sell or rent your personal information to third parties. Your information may be shared with Mason Global Materials representatives for activities related to services or products provided by or through Mason Global Materials in which you have expressed an interest.

### **Agreement**

You agree, by using this site, that you have reviewed our conditions of use and our privacy statement. Should you not agree with the conditions stated, then you should not use the Mason Global Materials website.
